far in advance of all other laxatives.

Co. only, and we wish to impress upon

While sitting in a Lancaster hotel a few nights ago, I observed several men busily engaged in conversation, apparently trying to see who could tell the biggest lie, and thinking it an oporton-Ity to learn a few that were fresh as I heard one of them start off on something about his expert gunnery in the west, of course, I moved my chair a little nearer the crowd then listened attentively to hear his story. "Why, gentlemen,", said the gifted liar, "I have actually taken my Winchester rifle and killed two swallows at one shot flying as they would cross each other in the air. I claim the champion to the care and skill with which it is ship of the world with a gun," he continued, "and as better proof of this, I'll tell you a little something that took place only a few weeks ago. Up on all the importance of purchasing the Pantheburn creek, near where I lived are lots of rattlesnakes. There are also a bountiful supply of deer in the woods. One night I was bunting with a fire lamp. In some thick brush my light was extinguished. At the same moment I heard the rasping rattle of a snake. I did not date move. I stood which the genuine Syrup of Figs has still until I caught the sound again and tocated the repti'e. Then with one barrel of my gan I fired, and before the flash of the powder had vanished 1 had got a bead on the rattler's head as it acts on the kidneys, liver and and had killed him with the second

The crowd attempted to smile. The hotel clerk, who had caught on the story, left the office, the clock struck thirteen, and some one shouted out
